

Coronavirus - England

Christmas Rules

Update 19/12/2020

Coronavirus is spreading quickly. Boris Johnson has changed the Christmas Rules for people living in England.

People in England will need to follow the rules for their local tier. **The tiers have changed. There are four tiers.**

You can find your tier by searching your postcode on: <https://www.gov.uk/find-coronavirus-local-restrictions>

Some people can have a support bubble. Support bubbles are allowed in all tiers.

There are some different rules only for Christmas Day.

Coronavirus - England

Christmas in Tiers 1, 2 and 3

We need to think very carefully about seeing people from other households on Christmas Day. We need to try to stay safe and healthy.

People in tier 1, 2 and 3 can choose to make a Christmas Bubble. **A Christmas Bubble is 3 households that only see each other on Christmas day. You cannot see people in tier 4.**

If you are in a support bubble already, then you count as 1 household.

If you have a Christmas bubble you should try to:

- Stay local
- Visit fewer people
- Keep any visits short
- Wash your hands regularly
- Keep windows open

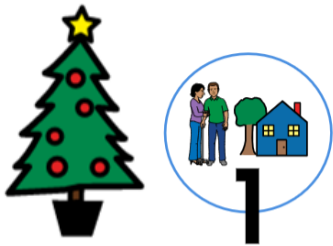

It is safer to video call or telephone people important to you.

Coronavirus - England Christmas in Tier 4

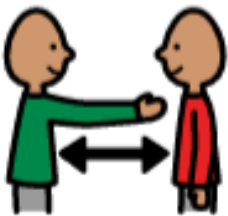

1 Boris Johnson announced a new tier to try and stop coronavirus spreading very quickly in some areas. This is Tier 4 and it is similar to 'lockdown'.

People in Tier 4 cannot make Christmas Bubbles. **On Christmas Day you can see people in your household or support bubble.**

You can only visit other households if they are part of your support bubble.

You are allowed to meet one person from a different household in a public place. You should stay 2 metres away. **You should not travel outside of your tier.**

You can video call or telephone people important to you.
