

The background of the top half of the page features a photograph of three healthcare professionals in a clinical setting. In the foreground, a woman wearing a pink hijab and a light pink top is looking towards the right. Next to her, a woman with long dark hair wearing a yellow top is also looking right. In the background, a man in a grey shirt is talking on a mobile phone. They are surrounded by computer monitors and office equipment.

# Primary Care Development Survey and workshops for Practice and PCN Managers

## SURVEY

- Are you a PCN or Practice Manager?
- Would you like to share insights on your specific training needs or experiences?
- Has your voice been heard on the support you need to meet your goals?

If so, complete the Primary Care Managers Development Survey!

Its available now until 27th Feb 2022 by [clicking here](#).

*Please access the link using Microsoft Edge or Google Chrome.*

We are interested in your views on your training and career development. By completing the survey, you will be participating in the planning of a national Primary Care Managers Development Programme.

## WORKSHOPS

We are also looking for a small group of experienced individuals to attend a workshop relevant to your role. The aim of this session is to explore in more depth, what your training and career development needs are and what would be advantageous to others in your profession. You can sign-up for the survey via the link above.

### The online MS Teams workshops are:

1. Primary Care Development Workshop for Practice Managers | Tuesday 1 March | 1–2.30pm
2. Primary Care Development Workshop for PCN Managers | Wednesday 2 March | 1–2.30pm
