Primary Care Managers Development Workshop for System Stakeholders

Tuesday 22 February 1–2.30pm on MS Teams

We are looking for a small group of experienced individuals working in a system level role to attend a workshop to help shape the future training and career development programme for PCN and Practice Managers.

If you are in any of the following roles within primary care, at a local, regional or national level and have experience of commissioning, delivering or managing support and training for Primary Care Managers we would like to hear from you:

- Regional lead
- System level lead
- Representative body
- Chair of a Primary Care forum
- Primary Care Network Clinical Director
- General Practitioners
- Practice / PCN Senior Leaders

- Workforce leads
- Training providers
- Leadership academies
- Primary care commissioners / leads
- Local Medical Committee Chair
- Regional Workforce Lead

You can express interest in attending the workshop by clicking here. If your role is not on the above list, but you have Primary Care experience and would like to attend the workshop, you can also complete the form linked above and we will be in touch. We would also be grateful if you could share details of the following opportunities to share insights with any Primary Care Managers you may have in your networks:

1.Primary Care Managers Development Survey
We are interested in the views and experiences of Practice Managers and PCN Managers in relation to their training and career development needs. Their insights will be invaluable in the planning of a national Primary Care Managers Development Programme.

It's available now until 27th Feb 2022 by clicking here.

Please access the links using Microsoft Edge or Google Chrome.

2.PCN and Practice Manager Workshops
There are two exploratory workshops for Practice Managers and PCN Managers please see details below:

1. Primary Care Development Workshop for Practice Managers | Tuesday 1 March | 1–2.30pm on MS Teams
2. Primary Care Development Workshop for PCN Managers | Wednesday 2 March | 1–2.30pm on MS Teams
