

BSW Primary Care - Cancer Alliance Underspend Bid - 2022

Submitted by: Practice/PCN (delete as appropriate):

Point of contact name:

Point of contact email address:

- Intended actions/description of proposal:
- Target cohort of patients:
- Area where intended improvement is to be achieved - only fill in relevant line(s) – describe intended improvement(s)
 - Cancer screening:
 - early diagnosis:
 - post-diagnosis:
- Funding required:
- Practice population (or PCN population if a PCN bid):
- How will the proposal help to address an existing inequality experienced by cancer patients?
- Timescale
- How will enduring impact be maintained after the funding has been used?
- We agree to provide a brief (one slide) interim update on progress/spend/impact/achievement, on a simple report (template to follow) Yes/No (delete as appropriate)
- We agree to provide a final report (2 pages max, template to follow) to enable the sharing of findings (inputs, outcomes, impact, lessons learned – can be anonymised if necessary) for mutual benefit and shared learning across the BSW system. Yes/No (delete as appropriate)
