

14 December 2021

Dear Practice Managers,

Your practice now has access to the new multidisciplinary flexible staff pool provided by Lantum and funded by BSW CCG. If your practice is not yet signed up to Lantum, you can sign up with this link:

<https://info.lantum.com/bsw-pm-sign-up-0>

## What is Lantum?

Lantum is a healthcare workforce platform that aims to unite all clinicians with their healthcare organisations, so that they can deliver the best patient care.

## What are the benefits for my practice?

Practices will be able to:

- Build resilience and fill more shifts by sharing resources and accessing a larger pool of staff.
- Negotiate shift rates directly, saving time and staffing costs.
- Save money by removing recruitment agencies – using Lantum is completely free.
- Reduce time spent on admin with e-pensions and online invoices.

We are now looking to add clinicians to the flexible staff pool including GPs, Practice Nurses, ANPs and ACPs, as well as Administrators and Receptionists and we have put together the following email for you to send on to them please.

Dear \_\_\_\_\_,

BaNES, Swindon and Wiltshire CCG has partnered with workforce management software provider, Lantum, to create a multidisciplinary flexible staff pool and promote resilience across our region. You can find out more about the new staff pool on the [BSW Training Hub website](#).

If you would like to join the pool, please use the link below and follow the steps as detailed:

1. Create your own profile and join the new BaNES, Swindon and Wiltshire Primary Care Flexible Staff Pool through this staff sign up link <https://info.lantum.com/bsw-staff-sign-up-0>.
2. Click 'Sign Up'.
3. If you do not already have an account, please select 'I don't have an account' and input your details in full.
4. If you do already have an account, please select 'I have an account', then log in and select 'Join this bank'.

Clinicians will need to upload some core documents to have your profile verified by Lantum's Clinical Governance Team. Click 'My Account' and 'Upload Documents', then upload the following:

- CV
- DBS (enhanced) dated within three years
- Passport

When prompted to do so, you'll also need to upload your payment details. Payments for sessional work are always remitted by Lantum and for a 1.5% commission fee, you can opt in to be paid the next working day after you raise your invoice.

Please see the sign up page for support on how to operate your account, and be sure to download the Lantum app on the [App Store](#) or [Google Play](#) after you've created your account on your desktop.

Best wishes,

---

If you have any queries, please contact Rachel Cooke, Primary Care Flexible Staff Pool Project Lead at BSW CCG on [rachelj.cooke@nhs.net](mailto:rachelj.cooke@nhs.net)

Best wishes,

BaNES, Swindon and Wiltshire CCG
