PAEDIATRIC RESPIRATORY ILLNESS VIRTUAL EVENT MULTIDISCIPLINARY PANEL DISCUSSION 4TH AUGUST 12.30PM- 1.30PM

Join South West Primary Care Network Clinical Advisor, Matthew Dolman, and a panel of frontline clinicians from across this pathway for a discussion on the rise in childhood respiratory illnesses.

Explore with us this region-wide challenge and hear from our clinical panel as they delve deeper into the problem through case-based discussions. This is also your opportunity to ask questions so that you can feel more confident in your approach to the challenges that lie ahead this winter.
