

Dear All

I would like to introduce myself and my colleague Amanda Payne, as the newly appointed BSW ReSPECT Specialists (April 2022). Our aim is to support all areas within BSW on the implementation of ReSPECT and to be a point of contact if needed. This post is funded for just one Year. We are both Qualified Nurses with experience within Primary Care and in the Community at Nurse Specialist level.

We are currently gathering information to establish where our support might be needed and I would be interested to know about any issues that you may have with ReSPECT and if I can be of any assistance. I have included a short form to fill out and send back to me if you can, or just email/call me. I am happy to meet with you face to face, via teams or perhaps at a GSF or Clinical governance meeting to hear about your experiences with ReSPECT.

Please feel free to contact me as below. I can be flexible with timings of meetings if required.

Sharon working days – Tues, Weds, Thurs 8am-6pm (Covering BaNES & Swindon)

Amanda working days - Weds, Thurs, Fri 8am - 6pm (Covering Wiltshire)

Thank you for your time and I look forward to hearing from you.

Regards,

Sharon
