

BNSSG CCG, in partnership with Cancer Research UK and Macmillan Cancer Support, are inviting social prescribers to join us for a series of lunchtime webinars on:

## Social prescribing: navigating patients from cancer prevention to life after treatment

Thursday 17<sup>th</sup> Sept 12.30-13.30: Cancer as a long-term condition (*speaker: Dr Glenda Beard, BNSSG CCG*)

Thursday 24<sup>th</sup> Sept 12.30-13.30: Overview of cancer prevention and cancer screening (*speaker: Deborah Jones & Christine Nagle, Cancer Research UK*)

\*Thursday 1<sup>st</sup> October 12.30-13.30: Social Prescribing – the journey from treatment and beyond (*speaker: Helen Shallcross, Macmillan Cancer Support*)

\*please note: some of this webinar's contents will be BNSSG CCG specific, however, colleagues from other regions are still welcome to dial in

- ✓ Practical advice, tailored to local requirements
- ✓ All webinars run via Microsoft Teams
- ✓ 15 mins Q&A session at the end of each webinar
