

Gateway C – Earlier Diagnosis Modules

Please see below a list of all Cancer Earlier Diagnosis Courses for the online educational platform Gateway C. As you will see, most courses are 1 hour long (and therefore offer 1 CPD). However, for most 1 hour courses there is also the option to undertake an additional 1 hour CPD. For the 2 hour courses, Gateway C have advised that they are currently looking at shortening these to 1 hour, later in 2021.

The home page for these courses can be found here: [Home \(gatewayc.org.uk\)](http://gatewayc.org.uk). Please note, you will be asked to login to your Gateway C account when you click on this link. If you do not have an account, you can [register](#) for one.

Course	Hours (CPD Hours)	Leaflet
Ovarian Cancer – Early Diagnosis	1	Course: Ovarian Cancer - Early Diagnosis (gatewayc.org.uk)
Colorectal Cancer - Early Diagnosis	1	Course: Colorectal Cancer - Early Diagnosis (gatewayc.org.uk)
