

Emergency Access to Medicine Scheme

April 2022

The purpose of this scheme is to ensure prompt access to certain prescription-only medicines that may be needed in an emergency from pharmacies spread across BSW. These medicines include, but are not limited to, “End of Life” drugs. There are currently 24 pharmacies that take part in this scheme

The Medicines Optimisation Team now coordinates and administers this service in collaboration with Swindon and Wiltshire Community Pharmacy (formerly known as Local Pharmaceutical Committee) and Avon LPC

Participating pharmacies are:

The list of medicines that must be available from these pharmacies has been shared with different health providers operating in BSW and may be amended if necessary due to clinical or availability reasons in the future.

BaNES, Swindon and Wiltshire CCGs are currently working on a unified approach for this scheme which may result in this list being reviewed, with medicines being added or removed.
